

## THE Dictionary Project

Thank you for your generous donation of \$957.60 to The Dictionary Project which we received on October 29, 2011.

Your support makes it possible for students to receive a dictionary for their own personal use that they will be able to use for a lifetime. For some children, this may be the very first book that they have owned. You are truly making a difference in their lives by giving them such an important tool.

Our goal is to reach every third grade student in the United States and you are helping us make this possible. So far this school year, we have reached an estimated 1,779,383 students.

Cumulatively, we have been able to reach an estimated 16,653,291 students.

Of these, 10,104 were sponsored by the Visalia County Center Rotary Club and surrounding Visalia community rotary clubs.

With gratitude,

The Dictionary Project
